## (REF: 290) Female Support Worker – Pontardawe

### Description

Female Support Worker (Exemption is claimed under the Equality Act 2010 Part 1 Schedule 9)

I am currently in residential college, planning to return home to live in the summer. I am looking for fun loving staff to support me six days a week. I wish to have motivated and experienced individuals to work alongside me, my family and rehabilitation team, to support and facilitate my independence. I respond well to support workers who are fun, engaging and able to build a trusting relationship while maintaining a calm and supportive approach.

### Responsibilities

I require support with all personal care, communication and mobility. I am a wheelchair user. My support team will work with me both at home and helping me engage in therapy appointments and social community-based activities. In addition, I would you to also support me to access my hydrotherapy pool.

People say I have a bubbly personality, and I enjoy positive interactions with those around me. I also enjoy trips out to the local beaches as well as visiting cafes and shopping, having fun watching people dancing and people watching in general!

A good sense of humour and a warm, encouraging manner will be important in helping me feel comfortable and confident. It is equally important that you can recognise when I need time and space to myself. You will need to read my cues, respecting my need for quiet, calming activities and environments when needed.

You will be warm, patient, and reliable, have excellent communication skills and maintain a consistent and proactive approach, whilst being flexible, reliable and enthusiastic, and will encourage and support me to access all possible opportunities available.

**This role is subject to an Enhanced level DBS check.**

Full induction and training will be provided.
