

## AMANDA KING

ASSISTANT CASE MANAGER / REHABILITATION COACH

Amanda has worked in the health and social care sector since 2009 and prior to that worked as a Nursery Nurse and a Learning Support Assistant. During her career she has supported adults and children with a range of difficulties and diagnoses, which includes ABI, Cerebral Palsy, Learning Disabilities, ASD and mental health.

Amanda has experience working directly with individuals as a support worker and then, Team Leader in addition to several years as a Lead Field Care Supervisor. Here she was responsible for the training, Supervision and organisation of a large team of support workers. She developed additional skills such as people management and HR, care assessment, along with a knowledge of rehabilitation.

Amanda works in a person-centred, collaborative way and understands the importance of building relationships with the client, their family, and professionals. Alongside this she has experience of supporting clients during, and post litigation and working with Court of Protection Deputies.

She is an enthusiastic person, very happy working independently, or as part of a team, thinking outside the box and taking the initiative readily.

Amanda is a calm, friendly professional who quickly builds trusting relationships with clients and is adept at implementing strategies to motivate clients to engage in their rehabilitation. She has excellent communication skills and confidently contributes to the MDT. Her records and observations are accurate, insightful, and informative.
