

AMANDA KING

CASE MANAGER/ASSISTANT CASE MANAGER

Amanda has worked in the health and social care sector since 2009 and prior to that worked in early years education and with children with additional needs. During her career she has supported adults and children with a range of difficulties and diagnoses, which includes ABI, Cerebral Palsy, Learning Disabilities, ASD and mental health. She spent several years as a Lead Field Care Supervisor where she was responsible for a large team of support workers.

As an independent Case Manager, Amanda has experience of working with adults and children with learning disabilities and TBI. She works in a person-centred, collaborative way and understands the importance of building relationships with the client, their family, and professionals. Alongside this she has experience of supporting clients during, and post litigation and working with Court of Protection Deputies.

She is an enthusiastic person, very happy working independently, or as part of a team, thinking outside the box and taking the initiative readily. Amanda has demonstrated that she can reflect and adjust plans and programmes appropriately, ensuring that progress is made.

Amanda is a calm, friendly professional who quickly builds trusting relationships with clients and is adept at implementing strategies to motivate clients to engage in their rehabilitation. She has excellent communication skills and is able to confidently coordinate and contribute to the MDT. Her records and observations are accurate, insightful, and informative.
